# Friends or Not?

1 It's been said that social media texts are detached from reality. Explain this and provide 3 examples.

---

---

---

---

---

2 Posts on social media are often an edited version of reality. Do you agree or disagree? Explain why.

---

---

---

---

---

---

3 There are many 'friend collectors' on social media. All too often, these aren't really friends at all and are often friends of friends of friends. Explain the difference between real time friends and friends on social networks.

---

---

# Friends or Not?

## PAGE 2

4 The concept of friend has changed with social media. Why is this and what does it mean?

---

---

---

---

5 Why do people want to collect friends online or want it to appear that they have a lot of friends?

---

---

---

---

---

6 Important conversations deserve better than a text. Do you agree or disagree with these statements? Explain why.
