Name:

Develop an App

There are many social media apps available. Your job is to develop a new app using this planning organizer. Remember to do a little research about what people like and don't like about the current apps available.

What will your app be called?_____

What will your app do?_____

_____

_____

Who will use your app?_____

Why will people want to use your app?_____

_____

_____

How will you prevent abuse with your app?_____

_____

_____

Name 3 guidelines for acceptable use for your app_____

_____

_____

_____

My App Logo

**Most social media apps have
a very simple approach
for their logo (see top of page).
Design a logo for your
app on the right side that
best represents your
new app.**
